

**UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF NEW YORK**

LESLYE KNOX, et al.

v.

THE PALESTINE LIBERATION ORGANIZATION, et al.

**ANSWER OF AMBASSADOR NASSER AL-KIDWA
TO PLAINTIFFS' FIRST SET OF INTERROGATORIES**

INTERROGATORY 1: For the period 1995 through the present, for each and every public speaking engagement, lecture, speech, panel discussion, news media interview and press conference (hereinafter collectively the "event") in which you participated, please state the following:

- a. Date of event.
- b. Location and/or venue of event (including location of Nasser Al-Kidwa during the course of the recording of news media interviews).
- c. Forum (i.e. the identity of the person, group or organization that sponsored or hosted the event and/or conducted the interview).

ANSWER:

No records are kept of my participation in non-U.N. related events. This has always been the Mission's practice. My participation and appearance at non-U.N. related events is rare, and probably would not average five or six events a year. These are always related to Palestine and peace in the Middle East and similar subjects of direct importance to Palestine and its Mission at the U.N. For example, I spoke in May 2003 at a meeting of the Committee for Peace in Israel and Palestine in East Hampton, N.Y. and attended recently an annual Seeds of Peace lunch in

New York City.

I declare under penalty of perjury under the laws of the United States of America that the foregoing answer to interrogatory is true and correct.
